Narava nas brezmejno navdihuje in izginja hitreje kot kdajkoli prej. Ohranimo risa za prihodnje rodove!

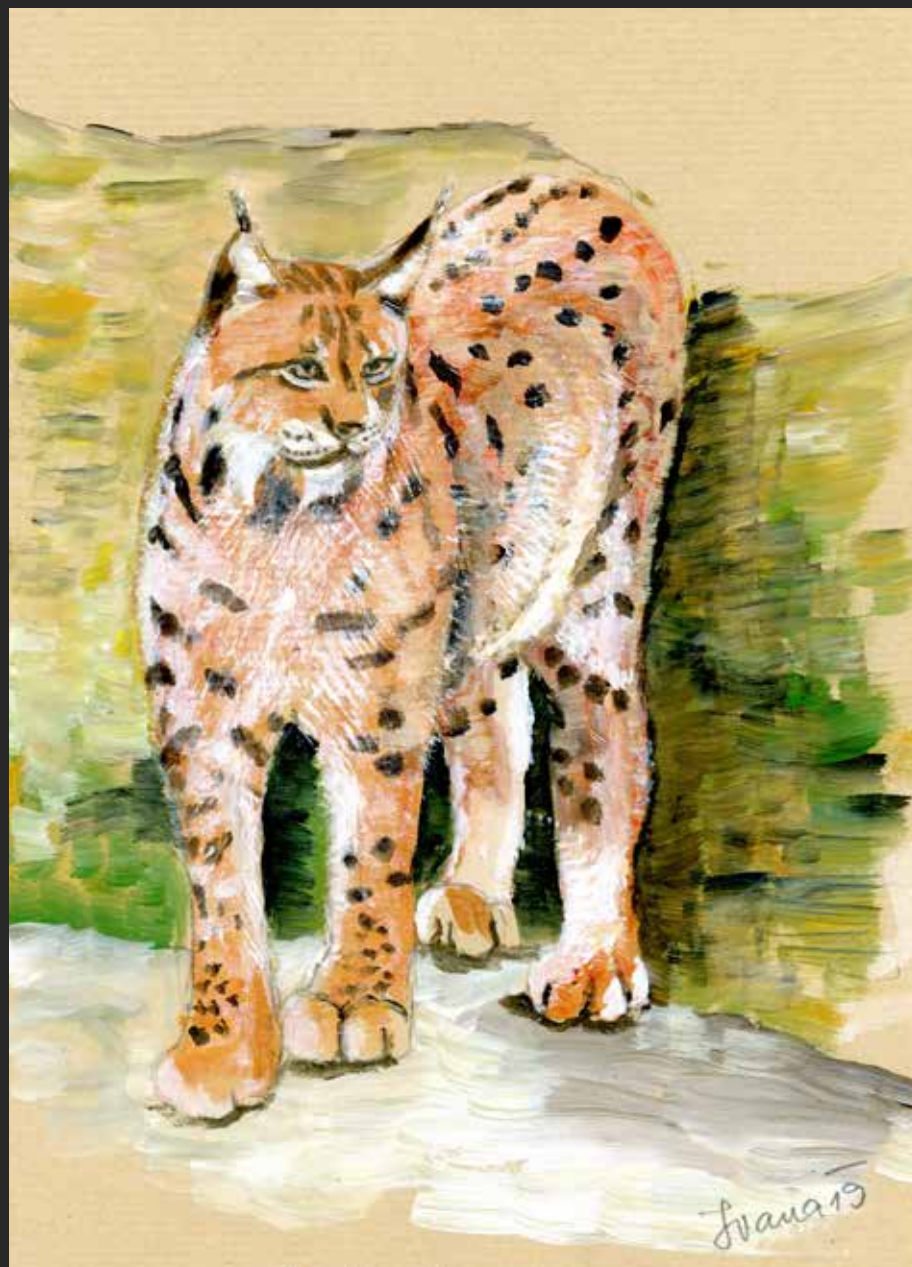

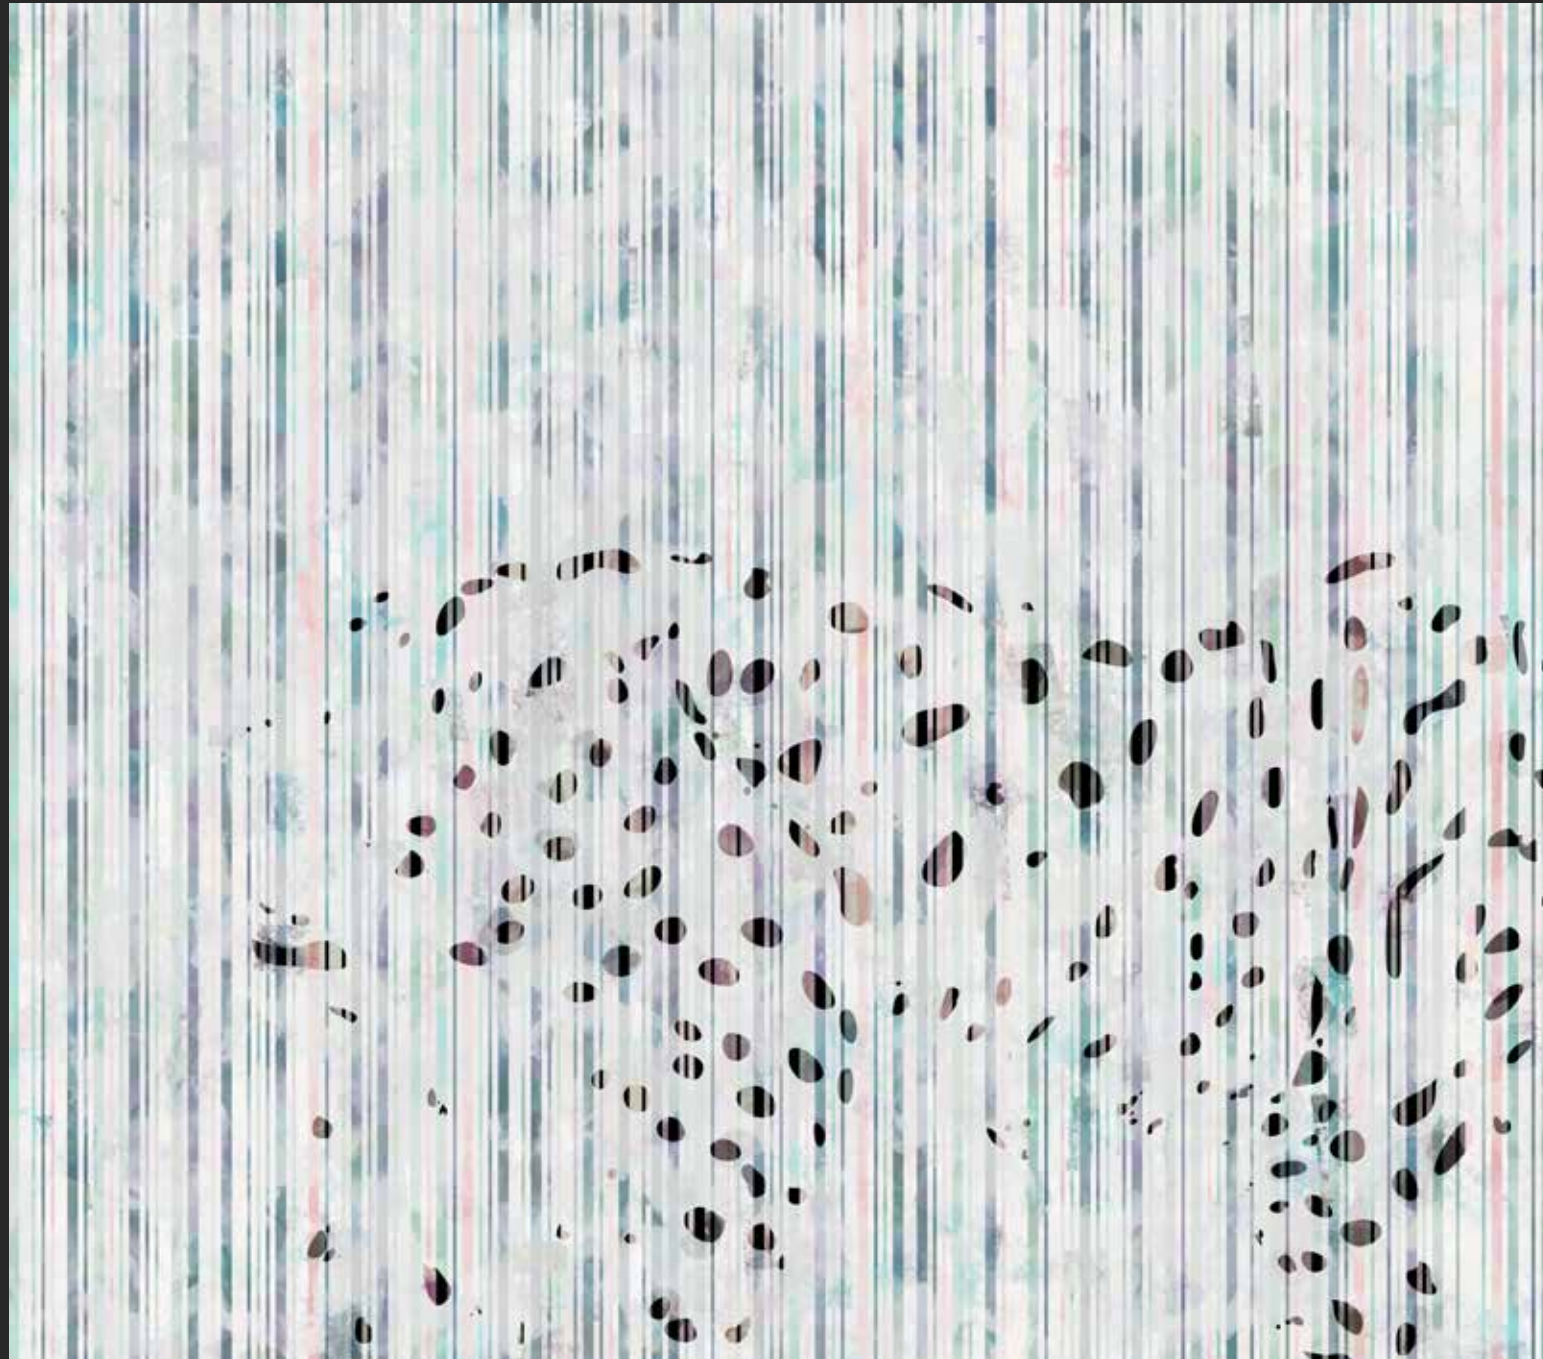

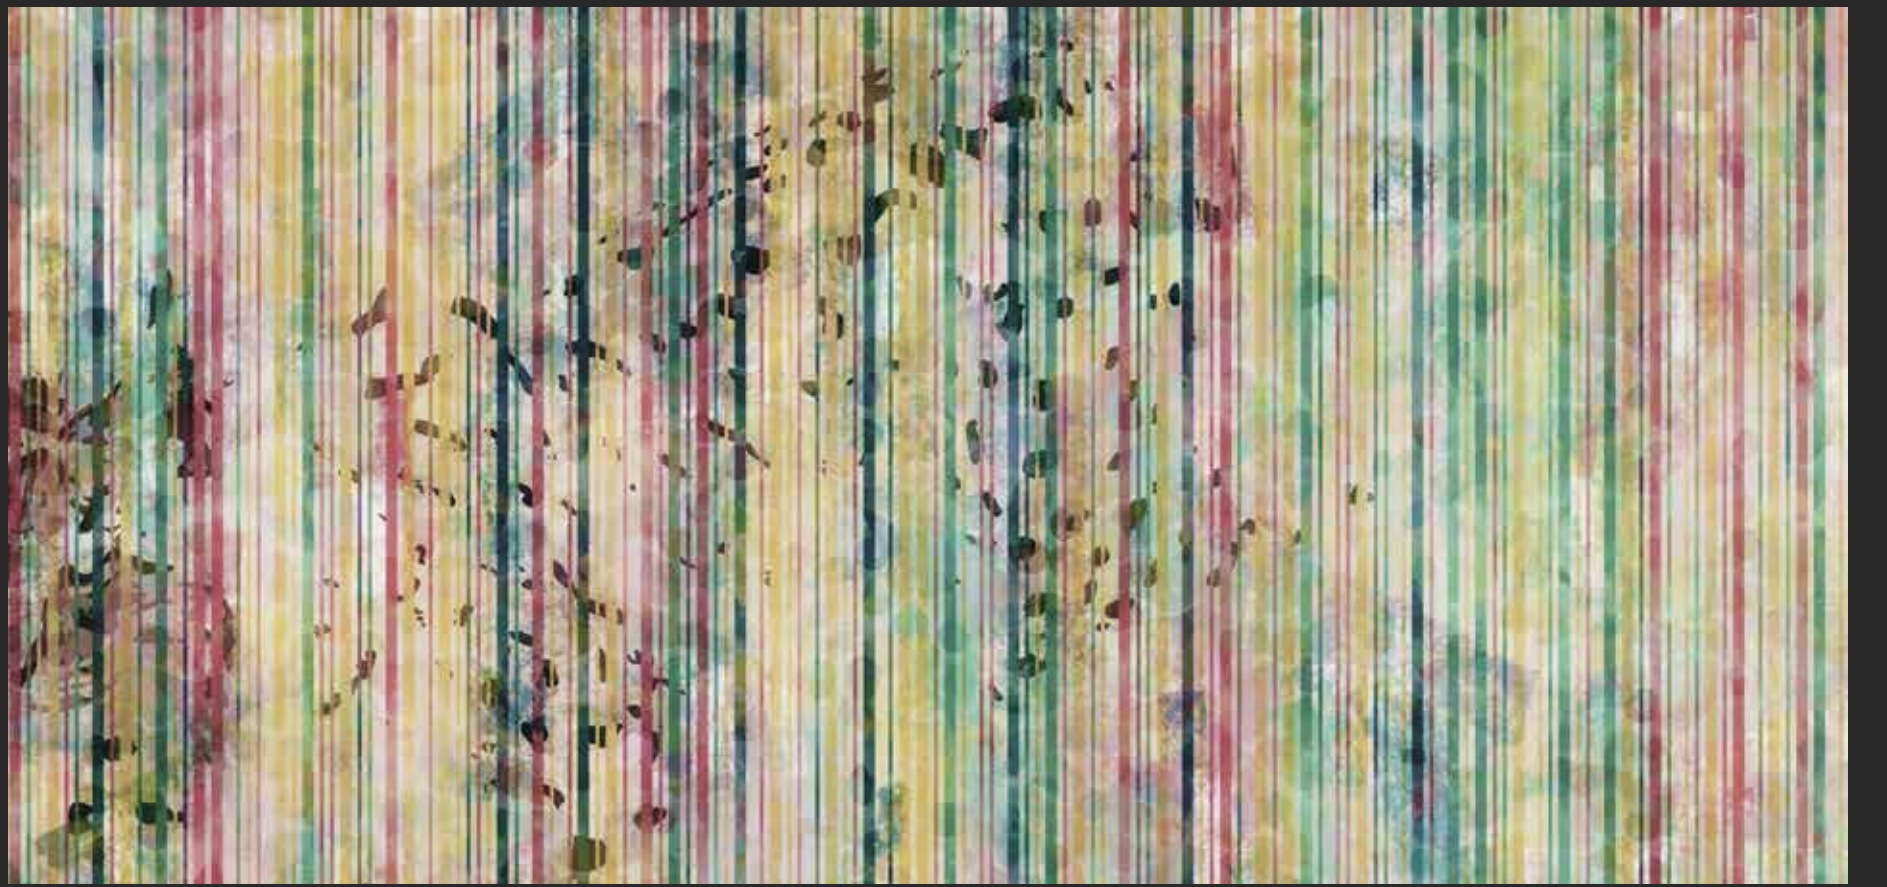

Nature sparks creativity within humanity, but it is disappearing faster than ever. Save the Lynx for future generations!

Ris je pomemben del ekosistema. Njegova prisotnost je priložnost za razvoj ustvarjalnih turističnih programov.

The lynx is a vital part of our ecosystem, and its conservation allows for a powerful opportunity to develop creative art tourism.

Umetniki črpajo svoj navdih iz narave in s svojimi deli podpirajo ohranjanje živalskih vrst.

Artists support wildlife conservation through art inspired by nature.
